

Leadership

This worksheet is a guide to promote discussion and thought about leadership using the accompanying Think-Feel-Be resources

Leadership is a quality that many people think is only for people in positions of leadership. However, leadership is a quality that all people need to or could use on a regular basis, no matter what your age. Leadership is a quality that you could use with friends when you need to make decisions or when planning ahead.

When have you had to be a leader in each of the following situations?

- a) with friends

- b) when planning

- c) a decision you have had to make

Think of 3 different leaders that you have heard about.

If you were in an official leadership position what would you do? Think of 3 leadership positions that you could be in and 3 things that you would do as the leader. This could be at your school, home or community, in sport or any other position that you can think of.
